

## Student Evaluation

The student evaluation is a very important part of your education. This is an opportunity to voice your opinion, to be heard, and to help make changes that will improve the overall educational experience for you and the students who will follow you at Shorter College. I hope that you will take this evaluation seriously.

Please **type** your comments so that we can maintain anonymity. If you are comfortable signing your name, by all means, you are welcome to do so. Whether you sign your name or not, all comments will be taken seriously. With that said, **this is not a forum to simply complain**, but please do share with us any concerns you have.
