

Assistant Professor of Biology & Chemistry

Position begins Fall 2018.

Shorter University invites applicants to apply for a tenure-track position in biology and chemistry. Applicants with a diverse academic background allowing them to teach a variety of biology and chemistry courses within the Department of Natural Sciences are preferred. Regular teaching responsibilities will include General Biology, Genetics, Cell Biology, and General Chemistry. Other courses may be a possibility, dependent on candidate's background. All ranks will be considered.

Candidates must have a Ph.D. and a strong desire to teach, mentor and advise undergraduates. The REQUIRED online application is located at the following link:

<https://home.eease.adp.com/recruit/?id=15638871>

Requirements for consideration: In addition to the required online application, applicants need to send a cover letter, unofficial transcripts of all academic work, statement of faith, and three current letters of reference to:

Human Resources
Shorter University
315 Shorter Avenue
Rome, Georgia 30165

Send all materials in one packet, making sure to label it with your name and the position for which you are applying.

Shorter University is a Christ-centered University affiliated with the Georgia Baptist Convention and requires employees to be committed Christians.
