INTRODUCTION

Each year, Shorter University awards a limited number of academic scholarships to incoming freshmen and transfer students who have achieved the highest levels of academic excellence. The Shorter Scholars Program was created to ensure the continuation of the long-standing tradition of academic excellence at Shorter University. The scholarships are based upon merit, leadership potential and the ability to make a contribution to the Shorter University community.

For incoming freshmen, these scholarships range from 75% of tuition to full-tuition, room and board (inclusive of the HOPE or Zell Miller Scholarship, Institutional Aid, and the Georgia Tuition Equalization Grant for Georgia residents). For transfer students with at least 24 attempted semester hours, the scholarships range from 75% of tuition to full tuition (inclusive of the Zell Miller and or HOPE Scholarship, Institutional Aid, and the Georgia Tuition Equalization Grant for Georgia residents).

Students must be admitted into Shorter University no later than **January 9, 2017** and all Shorter Scholars Program applications and documents should be received no later than **January 16, 2017** to be eligible for an interview.

Students eligible to participate will be assigned an interview with the scholarship committee on Friday, January 27, 2017. Upon interview notification, we will also notify you about your essay topic. Students should plan on spending at least half the day on campus.

Committees are comprised of faculty, staff and administrators. Each committee member will review applications and academic credentials for each candidate. Submission of a Shorter Scholars Program application does not guarantee an interview.

PREPARATION FOR INTERVIEW

Each student will be asked to meet with a scholarship committee for approximately twenty minutes.

Below are some suggestions to help you with the interview process:

Be on time-students should arrive at the university at least fifteen minutes prior to interview appointment. Dress appropriately-men should wear slacks and a dress shirt, jacket and tie optional/women should wear a dress or slacks/skirt and blouse. Practice interviewing- with a guidance counselor, teacher, pastor or family member.

Below are some possible questions:

- Why do you want to attend Shorter University?
- What is your strongest attribute?
- What is your favorite subject in high school?
- What has been your greatest experience in high school?
- Where do you see yourself in five years?
