

## **Adjunct Clinical Faculty, School of Nursing**

Date Posted: November 23, 2015

Begins: January 2016

Responsibilities: Clinical and campus laboratory supervision. Approximately 10 hours per week for 14 weeks.

### Nursing Faculty Qualifications:

Bachelor's degree required/Master's degree preferred in adult health, maternal/child health, mental health, or community health. Licensure as a registered nurse in Georgia is required. In addition, the ability to think creatively, a willingness to commit to flexible integrated teaching assignments and work schedules, and most importantly the desire to be involved in a caring, learner-centered teaching environment. Teaching experience at the baccalaureate level or graduate course work to support nursing education is preferred.
