# Shorter University School of Education

## Dyslexia Endorsement

Thank you for your interest in Shorter's Dyslexia Endorsement. As of May 2019, Georgia's governor signed Senate Bill 48 into law. This law provides for the identification of and support for students in kindergarten through third grade with dyslexia. Staying true to our motto "Learner's First", Shorter University worked to develop a path for all educators to receive specialized training in Dyslexia. This program prepares candidates to recognize the characteristics of dyslexia and support students with dyslexia in the field and grade levels of their base certification. Candidates will earn the literacy training distinction on their teaching certificates. Each online course is 8 weeks in length. Cohorts forming now!

| **Dyslexia Endorsement Program** | | | | **ONLINE** |
|---|---|---|---|---|
