Adjunct Clinical Faculty, Brady School of Nursing

Responsibilities:

Prepare for assigned teaching activities, such as lecture preparation, simulation laboratory instruction, test construction, assignment evaluation/grading, clinical evaluation, and course evaluation. Attend and participate in all course meetings called by the course coordinator. Communicate any student weakness to the course faculty, Success Coach, and Dean. Construct student remediation plans as needed. Collect student clinical evaluations (CET) at the end of each semester and submit to administrative assistant for filing. Participate in course team meetings. Record assignments, grades, and class attendance in Canvas and Scholar for each class. Adhere to all University and School of Nursing faculty policies as outlined in the faculty handbooks.

Nursing Faculty Qualifications:

- Bachelor’s degree in Nursing, Master’s degree preferred
- Current, unencumbered license to practice in the state of Georgia
- Previous higher education teaching experience preferred
- Knowledge of accreditation process and current issues in higher education preferred
- Effective organizational, interpersonal, and communication skills
- Current knowledge of registered nursing practice

Requirements:

In addition to the required online application, send a letter of interest, unofficial transcripts, statement of teaching philosophy, statement of faith, scholarly activity/interest, and three current letters of references to:
