

Ledbetter College of Business Professional Program Series

The Ledbetter College of Business invites YOU to our FREE Professional Program Series!

Shorter University is proudly working collaboratively with the Rome Floyd Chamber of Commerce on this informative series. Don't miss out on this opportunity!

Overview

The Professional Program Series is a comprehensive business development program designed to provide an overview of key business concepts, tools, and techniques that are necessary to thrive in today's challenging business environment. This program provides a combination of educational and applicable knowledge in the areas of "Supervision in the Workplace" and "Leadership Academy." By blending educational and practical knowledge from esteemed faculty and successful business leaders, it will provide the necessary framework for shaping your career.

Who Should Attend?

The Professional Program Series is designed for professionals who want to improve foundational business principles, leadership skills, and career development. The Program Series is open to business organizations, corporate executives, and future business leaders. Participants of the program will be representative of a wide variety of organizational companies, including small business to large size corporations both non-profit, government and corporate agencies.

The series will take place on Mondays in October and will consist of (1) three-week session. The dates are October 12th, 19th, and 26th.

Session Topics are as follows:

October 12th – S.M.A.R.T Goals
October 19th – Supervision in the workplace
October 26th – Leadership Qualities
