

Thank you for your interest in Shorter's secondary history education program. This program offers students small class sizes & the ability to move through the program in a cohort model. Both of these features ensure you will receive the support you need to achieve your career goals.

Graduates will be certified to teach history in grades 6-12. This will allow you to serve in a middle school or high school setting. Such diversity will maximize your potential to land your dream job!

**Bachelor of Arts, History Education, 6-12 certification**
