

B.M. in Music Education

Thank you for your interest in Shorter's music education program. This program offers students small class sizes & the ability to move through the program in a cohort model. Both of these features ensure you will receive the support you need to achieve your career goals.

Graduates will be certified to teach music in grades P-12. This will allow you to serve in an elementary, middle school, or high school setting. Such diversity will maximize your potential to land your dream job!
