

Thank you for your interest in Shorter's newest education major- Elementary Education/Special Education. This unique program offers students small class sizes & the ability to move through the program in a cohort model. Both of these features ensure you will receive the support you need to achieve your career goals.

Graduates will be certified to teach general AND special education in grades preschool through fifth grade. This will allow you to maximize your job opportunities.

Bachelor of Science, Elementary Education/Special Education, P-5 Certification Traditional
